

Dorset Digestion Clinic

Dolman G, Parry SD. (2011)

An unusual cause of aortic-enteric fistula in a young man. Submitted to Gastroenterology Update 2011

Saligram S, Parry SD. (2010)

Role of hydrogen breath test in management of small bowel bacterial overgrowth. Poster and abstract at AMA-RFS 2010 Interim Meeting San Diego Nov 5 2010; Winner of Pennsylvania Western 2010 Abstract Competition.

Conti JA, Patel P, Weaver S, Parry SD. (2010)

Is the Bowel Cancer Screening project working? Poster and abstract P003 ACPGBI, Bournemouth June 2010.

Felwick RK, Farrar M; Parry SD. (2010)

Idiopathic sternoclavicular osteomyelitis masquerading as a pyomyositis medically managed with antibiotics and hyperbaric oxygen Shoulder & Elbow 2010; 2(2): 107-100.

Le Brocq S; Etrata W; Parry SD. (2009)

Developing a Nurse Practitioner Outpatient Cellulitis Clinic. Poster and abstract presented at Nurse Led Clinic Conference Manchester November 2009.

Jupp J, Parry SD. (2007)

Advances in the management of Inflammatory Bowel Disease. Future Prescriber. 8 (2):17-22.

Parry SD, Wilkinson ML. (2006)

Current Management of Inflammatory Bowel Disease. Prescriber: 17(22):29-44

McKeown ES, Parry SD, Stansfield R, Barton JR, Welfare MR. (2006)

Post infectious irritable bowel syndrome may occur after non-gastrointestinal and intestinal infection. Neurogastroenterol Motility: 18(9):839-43.

Parry SD, Forgacs I. (2005)

Intestinal Infection and Irritable Bowel Syndrome. Eur J Gastroenterol Hepatol. 17(1): 5-9.

Parry SD, Barton JR, Welfare MR. (2005).

Factors associated with the development of post-infectious functional gastro-intestinal disorders: does smoking play a role? Eur J Gastroenterol Hepatol 17(10):1071-5.

McKeown ES, Parry SD, Stansfield R, Barton JR, Welfare MR. (2005)

Post-infectious irritable bowel syndrome occurs after non gastro-intestinal infection as well as intestinal infection. Gut; 54; Suppl II: A115. Poster presentation and abstract at annual meeting of British Society of Gastroenterology

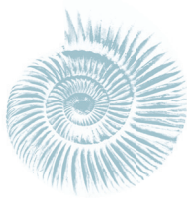

McKeown ES, Parry SD, Stansfield R, Barton JR, Welfare MR. (2005)

Post-infectious irritable bowel syndrome: prognostic data at three years. Gut; 54; Suppl II: A115. Poster presentation and abstract at annual meeting of British Society of Gastroenterology

Dorset Digestion Clinic

Parry SD, Stansfield R, Jelley D, Gregory W, Phillips E, Barton JR, Welfare MR. (2003)

Is Irritable Bowel Syndrome (IBS) more common in patients presenting with bacterial gastro-enteritis? A community-based case-control study. *Am J Gastroenterol.* 98(2): 327-31.

Parry SD, Stansfield R, Jelley D, Gregory W, Phillips E, Barton JR, Welfare MR. (2003)

Does infectious gastro-enteritis predispose people to functional gastro-intestinal disorders (FGID's)? A prospective community case-control study. *Am J Gastroenterol;* 98(9): 1970-5.

Parry SD, Corbett S, James P, Barton JR, Welfare MR. (2003).

Illness perceptions in people with acute bacterial gastro-enteritis. *J Health Psychol.;* 8(6): 693-704.

Parry SD, Barton JR, Welfare MR. (2003)

Smoking is associated with post-infectious irritable bowel syndrome *Gut;* 52; Suppl I: A84. Poster presentation and abstract at annual meeting of British Society of Gastroenterology

Parry SD, Muisean P. (2003)

Cholangiopathy and the biliary cast syndrome. *Eur J Gastroenterol Hepatol.* 15 (4): 341-3.

Parry SD, Welfare MR, Cobden I, Barton JR. (2002)

Push enteroscopy in a district general hospital-experience of 51 cases over two years. *Eur J Gastroenterol Hepatol;* 14 (3): 305-9.

Parry SD, Barton JR, Welfare MR. (2002)

Does illness perception of bacterial gastro-enteritis differ in people with a functional gastro-intestinal disorder (FGID) and can it predict who will go on to develop a post infectious FGID? *Gut;* 50; Suppl II: A85. Poster presentation and abstract at annual meeting of British Society of Gastroenterology

Parry SD, Barton JR, Welfare MR. (2002)

Is lactose intolerance implicated in the development of post-infectious irritable bowel syndrome (IBS) or functional diarrhoea (FD) in previously asymptomatic people? *Eur J Gastroenterol Hepatol* 2002 14(11): 1225-30.

Parry SD, Barton JR, Welfare MR. (2002)

Does infectious diarrhoea (ID) predispose people to functional gastro-intestinal disorders (FGID's)? A prospective community case-control study. *Gut;* 50; Suppl II: A1. Oral presentation and abstract at annual meeting of British Society of Gastroenterology

Parry SD, Babtazas C, Peel ET, Barton JR. (2002)

Sulfasalazine and lung toxicity *Eur Respir J* :19(4): 756-64.

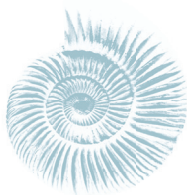

Parry SD, Barton JR, Welfare MR. (2002)

Does bacterial gastro-enteritis really predispose people to functional gastro-intestinal disorders (FGID'S)? A prospective community case-control study. *Gastroenterology;* 122; 4 Suppl: A504. Poster presentation and abstract at annual meeting of American Gastroenterology Association San Diego

Parry SD, Barton JR, Welfare MR .(2002)

Do illness perceptions of bacterial gastro-enteritis differ in people with a functional gastro-intestinal disorder (FGID) and can they predict who goes on to develop a post infectious FGID? *Gastroenterology*; 122; 4 Suppl: A502. Poster presentation and abstract at annual meeting of American Gastroenterology Association San Diego

Parry SD, Barton JR, Welfare MR .(2002)

Is lactose intolerance implicated in the development of post infectious bowel symptoms in previously asymptomatic people?. *Gut*; 50; Suppl:II: A82. Poster presentation and abstract at annual meeting of British Society of Gastroenterology

Parry SD, Barton JR, Welfare MR .(2001)

Does irritable bowel syndrome (IBS) precede or follow infectious diarrhoea (ID)? *Gut* ; 48; Suppl I: A4. Oral presentation and abstract at annual meeting of British Society of Gastroenterology.

Parry SD, Barton JR, Welfare MR. (2001)

Prevalence of pre-existing functional gastro-intestinal disorders (FGID's) in infectious diarrhoea (ID) subjects compared to a matched community control group. *Gastroenterology* ;120; 5 Suppl 1: A633. Poster presentation and abstract at annual meeting of American Gastroenterology Association Atlanta.

Parry SD; Clark D, Campbell J. (2000)

Coronary arteritis in Wegener's granulomatosis causing fatal myocardial infarction: *Hosp Med*: 61(4): 284-5.

Parry SD; Kirkham N, Ireland A. (2000)

Steroid responsive hepatocellular reaction triggered by lansoprazole. *CME Journal of Gastroenterology & Hepatology* :3:108-9.

Parry SD, Welfare MR, Cobden I, Barton JR. (2000)

Push enteroscopy in a DGH-experience of 52 cases over two years. *Gut*; 46; Suppl II: A28 . Poster presentation and abstract at annual meeting of British Society of Gastroenterology.

Parry SD; Perkins A; Hawkey CJ. (1998)

A case of pica and iron deficiency anaemia in Nottingham: *Int J Clin Pract* 8: 52(5): 354-355.

Parry SD. (1998)

Inconsistency in checking on prescribers. *Pharmaceutical Journal*: 260:750 (letter).
